

FEDERAL STAFFORD LOAN SUGGESTED LENDER LIST

Suffolk University Law School utilized a Request for Information (RFI) in 2008 to gather extensive information from a number of lenders. A Suffolk committee reviewed all submissions in order to select our suggested lender list. The committee evaluated each lender based on the following criteria: competitive loan offerings, customer service, loan processing and technology, and financial literacy/debt management offerings for law students. In June 2009, lenders were contacted to update the list. The 2009 Suggested Lender List was selected based on the same criteria listed above. Suffolk's goal in providing a suggested lender list is to offer our students a basis for comparing, and ultimately selecting, an educational loan lender. **Students can borrow funds from any educational loan lender and are therefore not limited to the lenders on this list.** Suffolk University Law School will not deny or delay the processing of a loan for a student who chooses a lender which is not on the suggested lender list. The order of lenders on the suggested lender list is alphabetic with no implied preference to any lender.
